Dear Both: -

As no one hears
from you - & we
all are rather
worried - but all
is not well with
you - I felt I

or any place -
for that matter -
except somewhere
near - & life seems
full of a dull
ache. After that,
hideous illnesses in
the winter. I don't
like on skinned
meat & as Henri
has a simple diet
it's fortunate for me
as cooking is proving

most wretched & repulsive.

Do send a card
and let us know

how you are. It seems

all wrong without

you in the Berkshires

and we all miss

you so very much.

But we can't

go to South Mountain

a very difficult
thing for me. Could
these dear Parfums
to guide me?)

Our every best
wish & the hope
"all's well" with
you. Our best
love. Devotedly
Marie.

I forgot to say I've
lost almost forty
pounds. So sylphlike!
